

I have long been disturbed by the consolidation of media into the hands of the powerful few. It is evident that now is time for the bitter harvest. Sinclair Broadcasting is reneging on their obligation to serve the public interest in their one-sided promotion of Kerry-smearing rhetoric.

Political speech must be open to all on an equal-time basis. For the short term, insist that Sinclair grant equal time (length & quality) to their opponents and in the long term, you MUST ensure that broadcasters live up to their obligations or remove their licenses.
